

Washington, D. C. 20505

13 June 1979

STAT Dear

I have been pleased with the responses I have seen to my letters to key industry leaders regarding security. I understand that your working during a three-day holiday period and your conscientious attention to detail were a major contribution to the timely distribution of my letters. I appreciate your efforts and thank you for them.

Yours,

A handwritten signature in dark ink, appearing to read "Stansfield Turner", written in a cursive style.

STANSFIELD TURNER
